Don't know if you've passed through KS already but we have 2 stranded vets in KS who's engine broke down. They have cash for gas and they are apart of our security and will escort you to safety in dc if things get wild. Please help or if you know of anyone who would be willing let us know. We can help with lodging in DC as well for helping out. We can take them back to their vehicle once DC events are over.

We have 2 vets in Wichita KS that are stranded due to engine trouble! They have gas money and they are apart of our security team. If you can stop by and pick them up we can get them back to wichita and they will escort you to safety in DC if anything gets wild. Just reaching out to all posts for them to try and help get them here. Can help with lodging when you're in DC for helping get our team here!
